

GOT MOSQUITOS?

Have you noticed an abundance of mosquitos, standing water, or tires laying around?

If you have please call our Mosquito Surveillance Team at 903-465-2878 Ext. 236 or e-mail us at mosquito@co.grayson.tx.us.

Please leave your name, phone number, and the location where the mosquitos have been observed for follow up purposes only. If the area in question is within city limits we will forward the information to the city code enforcement division or applicable department.
